About VAA

Vivek Alumni Association (VAA) is the nodal organization of the alumni of Vivek Education Society. Vivek Vidyalaya has a very rich heritage of over 5 decades since its inception in 1962. The Vivek Alumni Association is a charitable organization and is represented by passionate & dedicated individuals of the School & College Alumni. The Alumni is forging successfully ahead under its current President Dr. Suresh Nair. (He was awarded The best Teacher of the year & played a pivotal role leading to Vivek School being awarded the International school Award by the British Council). No wonder under his inspiring leadership the VAA has successfully initiated key projects like The Science Club, Sports Coaching Initiative, The Motivational Lecture Series, Installation of White Board in Classrooms & supporting The Adopt a Child (Scholarship Scheme) to name a few.

The activities of the Vivek Alumni Association center on our key objectives, which is to act as an enabler to enhance the imparting of education & life skills to the current batch of students. Efforts are in progress to fulfill this ambition by contributing in fundraising for VAA & acting as a catalyst in exposing the students to variety of activities, professionals & forums, inspiring them to achieve Success! We also maintain a strong network amongst our alumni through various events and programs throughout the academic year.

'YAADEIN" is the Annual Alumni meet Evening held every year. Close to a 1000 members of our alumni get together every year, network, interact and go away with pleasant memories from their good old school days with a pledge to contribute to the cause of the Alumni Association!

The 2015 edition of "YAADEIN" is going to be a truly memorable & emotional affair as the VAA committee under the guiding light of Mrs. Jayashree Umami (Our Alumni & Beloved Teacher) has unanimously agreed to pull off an incredible thought - "SANMAAN". Under the program this year VAA will felicitate & express our gratitude to all the Teachers & Staff, who have retired from Vivek School & College since its inception till date. It is an effort to convey sincere thanks on behalf of thousands of students who have passed out of our school and college!
